

STATEMENT OF ETHICAL TRADING POLICY

It is the policy of Corewire Ltd to develop, operate and maintain its operations in an ethically considerate manner. To comply with this policy, the Company will aim to meet the following objectives:

- To keep working conditions safe.
- To promote good health.
- To ensure that employment is freely chosen.
- To ensure that working hours are not excessive.
- To ensure that wages meet at least the national legal standards.
- To provide suitable training.
- To eliminate discrimination.
- To encourage diversity and good workforce practises.
- To eliminate child labour.
- To eliminate inhumane treatment.

The Directors of Corewire Ltd undertake to enforce this policy with the co-operation and assistance from all employees of all and any status within the organisation. We also require the co-operation and assistance of all and any sub-contractor.
